

Role of Mediation in Valuation Disputes

THURSDAY, DECEMBER 10, 2020

An IPTI On-Line Presentation and Discussion

11:00 am to 12:00 pm (EST)

Join us for this 60 minute presentation and discussion.
Free to corporate representatives.

Mediation is becoming a frequently used process and technique as a means to come to an agreement in valuation disputes short of litigation. The rising popularity of Mediation in the assessment valuation appeals will be discussed. This will include an explanation of the Mediation process. Also, participants will share their experiences on how the Mediations are used in various North American jurisdictions.

Session Leaders:

David Wilkes, Partner, Herman Katz Cangemi Wilkes & Clyne, LLP, USA

Paul Sanderson, President, International Property Tax Institute, UK
